

Damaged Vehicle Purchase Program

Who We Are

The leading damaged vehicle buyer in the USA, specializing in passenger vehicles, RVs, commercial trucks and equipment.

What We Do

Buy any damaged vehicle, anywhere! Our competitors specialize in "Junk Cars" but DamageMAX buys Acuras to Z-28s, from Fords to Ferraris, including fender benders - all the way to heavy hits and rollovers.

Customer Benefits

DamageMAX gives customers who want out of a damaged vehicle a fast and easy alternative to today's "repair & trade" process. DamageMAX can save the consumer thousands of \$\$\$ in depreciation and diminished value associated with a wrecked vehicle.

What's In It For You?

- DamageMAX will buy your damaged vehicle for CASH
- Free pick-up on all transactions
- No downtime waiting for repairs
- No rental vehicle expense
- You pocket the repair check
- Freedom to shop for a replacement vehicle
- Stop storage charges if your vehicle is in a holding yard
- Avoid HUGE depreciation of trading a repaired vehicle
- Tax savings with Trade-in
- New alternative for drivers with liability only coverage to reduce their economic loss

How It Works

- Contact us via phone or email and request a quote
- Send us your collision estimate and/or vehicle information via email to estimates@damagemax.com
- DamageMAX will send you a guaranteed purchase quote for your damaged vehicle good for seven (7) days
- If you accept, we will pick-up your vehicle and you can stop racking up storage charges at the shop
- You now have the freedom to shop for a new vehicle with cash in hand without the pressure of having to make a snap decision

How Do We Do It?

DamageMAX has access to world's largest damaged vehicle marketplace, plus decades of experience in trading vehicles and equipment. DamageMAX is the first company to bring this buying power directly to the consumer, along with a new alternative to repairing a wrecked vehicle.
